OUTDOOR WEATHER COVER

**INSTALLATION INSTRUCTIONS FOR LENNOX STAINLESS STEEL OUTDOOR WEATHER
COVERS 36-EODC (P/N H4647) & 42-EODC (P/N H4648)**

GENERAL INFORMATION

The Stainless Steel Outdoor Weather Cover, is an available accessory to provide protection for the interior of your Lennox outdoor fireplace. The cover is not designed to fit over the optional doors.

INSTALLATION INSTRUCTIONS

To install the weather cover, refer to **Figure 1** and follow the steps outlined below:

- Step 1.** Insert the upper flange of the cover into the face top opening.
- Step 2.** Push the bottom towards the fireplace, while holding the cover up at the same time.
- Step 3.** Hook the bottom of the weather cover inside the face opening as shown in **Figure 1**.
